

# “My business can’t afford to have money tied up in postage.”

---

## Meet Jennifer

Jennifer is the CFO of a high-volume E-tail business that sells products all over the globe. Shipping is a critical part of Jennifer’s business. And, while her current solution gets the job done, it simply can’t keep pace with her growth or meet the demands of her business. Jennifer needs an option that will work with her shipping fulfillment platform to power her business through unexpected interruptions. Jennifer doesn’t need more of the same. Jennifer needs financial flexibility that will fuel her growth.

# With a wide range of payment options merchants can pay for postage in a way that works for their business.

## The Most Flexible Payment Options Available

Jennifer is always looking to improve her bottom line, tighten her expense budget and free up cash. And, because her shipping application is powered by Pitney Bowes, Jennifer has unparalleled access to capital that other partners simply can't provide. With Pitney Bowes, Jennifer has access to a wide array of payment options—from lines of credit to traditional credit card payments to pre-pay FDIC Insured deposit accounts. That means companies like Jennifer's can free up funds and invest them back in their businesses.

### Affordable Credit

Terms to pay for what you need, when you need it, at an affordable rate.

### Improved Profitability

Access more affordable borrowing and shift working capital to profitable investments.

### Enhanced Flexibility

Free up cash to pay for other business operations.

### Flexible Pre-Pay Postage Solutions

With a range of payment options, merchants can find the solution to match their business.

### Consolidated Invoicing

Receive only one monthly invoice for your shipping and postage charges.

## Get Back to Business

With Pitney Bowes on her side, shipping is no longer an exercise in balancing the books. Now, Jennifer can plan her payments to align with her business model and cash flow. With Pitney Bowes, Jennifer has the financial flexibility and the options she needs to keep up with the demands of her growing business.
